Service Cart Policy Quiz

Section 1

Contact Information

1. **Name** - I have read the Service Cart Policy (05-6030-013) in full and, by including my first and last name here, agree to follow the terms set forth in the policy. I understand that my driving privileges may be revoked if I act in violation of this policy. Violations include taking the right of way from pedestrians or bicycles, driving through pedestrian areas during class changes, driving on areas not designated for vehicles, and other safety violations.

2. **Department or CSU Hosting Organization** - Enter the department you work for or organization that is hosting your visit at CSU.

3. **Email Address** - Please enter email address below.

Section 2

Service Cart Policy Quiz: Please clearly mark the correct answer.

4. The purpose of this policy is to establish proper service cart safety procedures and practices on campus, to define departmental responsibilities, and to provide a safer environment for students, employees, and visitors.

   - True
   - False

5. This policy affects anyone who uses or wishes to use service carts on campus.

   - True
   - False

6. “Service carts” means low-speed vehicles and other small, motorized, three- or more-wheeled vehicles, including electric carts. Examples include delivery carts, landscape maintenance carts, and courtesy carts used to conduct campus tours, among others.

   - True
   - False

7. Students, faculty, and staff of Colorado State University must be a minimum age of 16 years old with a valid driver’s license to operate a service cart on campus.

   - True
   - False
8. Rules, regulations, and statutes that govern vehicles using public roadways are not applicable to the service carts on campus.
   - True
   - False

9. Pedestrians always have the right of way.
   - True
   - False

10. The operator cannot be held responsible or ticketed for the behavior or actions of the passengers.
    - True
    - False

11. In the case of tickets and citations, operators are held responsible for both moving violations and for parking violations.
    - True
    - False

12. Cell phone usage while driving a service cart is allowed if the vehicle is driven with extreme caution at a speed of 10 miles an hour or less.
    - True
    - False

13. The name of the department and the University ID must be prominently displayed on the cart per Transportation Services standards.
    - True
    - False

14. Other than when operational needs dictate, operators may not drive or park on any grassy areas, plants, or landscaping.
    - True
    - False

15. Service carts can park in any space where parking permits are required.
    - True
    - False

16. Service carts on campus are primarily intended to be operated on sidewalks, off of roadways.
    - True
    - False
17. Operators have the right of way on sidewalks and paths, including when there are pedestrians, bicyclists, and skateboarders.
   - True
   - False

18. Service carts are not permitted on College Avenue, Laurel Street, Shields Street, and Prospect Road.
   - True
   - False

19. Access of the core of campus is acceptable before 9:00 a.m. and after 4:00 p.m.
   - True
   - False

20. Except for approved special events, vehicle exclusion zones include inner courtyards, covered arcades or breezeways between buildings, sidewalks or pathways parallel to roadways, among other locations.
   - True
   - False

21. Driving violations include driving through pedestrian areas during class changes, driving on areas not designated for vehicles, and other safety violations.
   - True
   - False

A passing score is 83% or higher (15 or more out of 18 correct on the quiz portion). You may retake the quiz if you do not pass.

Please note: Before you are approved to operate a service cart on campus, you are responsible for emailing or printing the results of your quiz and providing them to your department or to the CSU organization that is hosting your visit at CSU. They will keep this documentation on file. If you don’t have a CSU email address and are using this PDF version instead of taking the online quiz, the hosting organization/department will let you know if you’ve passed and are approved to drive service carts on campus.
