1. Outdoor Services (Grounds, Heavy Equipment, General Services) will remove snow from all streets and sidewalks. Working hours will be adjusted to accommodate snow removal.
2. Custodial is responsible for snow removal at all building entrances up to 20 feet away from the building. Working hours will be adjusted to accommodate snow removal.
3. All other FM sections are responsible for assigning coverage throughout the day and during normal work shifts. Each section is responsible for making sure walkways and entrances are clear and icy patches have been treated with ice melt.
4. Snow must be clear 20' from building and edge to edge on sidewalks
5. Do not overuse snow melt. See Warehouse for ice melt & shovels.
6. Employees that are physically unable to participate must contact supervisor.
