CSU Toys for Tots Toy Drive

Greetings Facilities Management Team,

In 2017, a Toys for Tots campaign began at CSU. Many of you may have noticed the Toys for Tots boxes around campus, including in FM North and the RCS office. Over the past three years, CSU has donated over 2,650 toys to the Fort Collins Toys for Tots campaign.

The campaign this year will look different, as there will not be any boxes on campus. Due to the pandemic, economic situation for many, and the fires in our area, the **need will be even greater**. The CSU campaign this year will rely mainly on monetary donations, made directly to Toys for Tots. If you would like to donate, please use the following link:

<http://fort-collins-co.toysfortots.org>

Any funds collected will be used to purchase toys/books for shortages by age group.

If you would rather donate actual toys, please see the list below of donation locations in the area. All toys should be new, unopened and unwrapped. Gifts for babies through teens are welcome. Please keep babies and teens in mind as you shop, since ages 5 – 10 usually do well in donations.

If donating on-line, please complete by December 20th, and if donating a toy, please drop off by December 13th.

Last year, the local Toys for Tots campaign distributed 32,808 toys to 9,610 children. The Marine Corps Reserve's Mission is that no child goes without a new toy to love on Christmas morning. The need will be greater this year, so if you have the desire to donate to this awesome organization, please do so. Facilities Management employees have been a big part of the 2,650 toys donated over the past three years, so hopefully this year will be the same!
