Finance & Accounting Updates

The FM Finance & Accounting section within Facilities Management is expanding their team and filling vacant positions. Three more employees joined the team in the last month. You may already have had a chance to meet **Mary Notess** who started January 30. **Carren Jones** joined FM beginning of March. **Mike Ragland** just joined last week as the new Assistant Director of the section. Meet them below.

Mary Notess is a Fort Collins native with experience working in a variety of clerical settings, including working with the Thompson School District for facility use scheduling and Front Range Community College in scholarship services. In her position as a Services Accounting Hourly Technician she is helping Facilities Management Services to process service orders and invoices. She has an Associate degree in Graphic Design. For fun Mary dances with a small local studio in her spare time.

In her new position as a Services Accounting Tech III, **Carren Jones** is assisting in the services unit, fulfilling requisitions and purchase orders and submitting invoices for payment. She is originally from California where she worked in bookkeeping and administration. More recently, she lived in Michigan and Georgia, working in property taxes and titles in mortgage underwriting. She loves car trips and to date has explored all the U.S. states except for Alaska, Hawaii, and North Dakota. Carren recently moved to Colorado to be near her two-and-a-half-year-old grandson, Jensen.
