Do you have ideas that will contribute to positive change for State Classified employees at CSU? Learn more about how to get involved.

Did you know that FM has the most state classified employees of all departments and groups at CSU? Employee councils are an important part of shared governance, giving employees a voice and allowing them to actively participate in making positive changes at CSU. CPC represents CSU state classified employees on issues such as raises, parking, work-life balance, supervisor training, and employee recognition, while also contributing to university committees across campus.

Additionally, CPC regularly invites CO WINS representatives to attend CPC meetings to share information. State classified employees, working half-time (50%) or more, who have worked at CSU for at least 1 year are eligible to serve. Apply here: <https://cpc.colostate.edu/interested-in-joining-cpc/>.

CPC also posts resources and shares information on their [CPC Facebook page](#). CPC will hold a random drawing when their Facebook page reaches 150 followers. Follow CPC today! The drawing recipient will receive a \$50 gift card of their choice to either King Soopers or Safeway. Eligibility: Must be a currently employed state classified employee of Colorado State University. Recipient is taxed by HR Payroll for value of the gift card upon acceptance of the gift card.

Thanks,

Tom Satterly, P.E.
