

FACILITIES MANAGEMENT

AT COLORADO STATE UNIVERSITY

FM DAILY
COMMUNICATION

April 20, 2020

Issue 12

Dear Facilities Management staff,

Parking and Transportation Services (PTS) opened the Food for Fines program a week early and will be keeping it open a few weeks longer than originally planned (April 13–May 31). When you make a \$10 contribution at <https://pts.colostate.edu/food-for-fines/>, PTS will deduct \$20 from an outstanding parking citation. Your contribution supports Rams Against Hunger, which offers food assistance for students; it will directly impact more than 2,800 CSU students who are food insecure, allowing them the opportunity to have a nutritious meal at the CSU dining centers now or in the future.

PTS is also making it easier to pay off your existing tickets completely by temporarily placing citations on a hold status. This will prevent escalation of what you owe, giving you time to support Rams Against Hunger and pay remaining citation balances in full. PTS has an employee dedicated to support Food for Fines with a goal to send notices back to participants regarding adjusted citation balances within seven days of the contribution.

Although PTS has temporarily suspended paid-parking requirements on CSU campuses to support in-person essential staff and students, they are continuing limited enforcement with a focus on safety, ADA needs, and service accessibility. For questions, contact them at parking@colostate.edu.

Thanks,

Tom Satterly, P.E.
Associate Vice President for Facilities Management
