FACILITIES MANAGEMENT

AT COLORADO STATE UNIVERSITY

FM WEEKLY
COMMUNICATION

Issue 98

Welcome FM New Hires (January 2021)

In January, **Danny Bier** joined Building Services, part of the FM Operations section. He is a Lead Custodian II for Team 3 PM. Previous to this position, he ran an 18-acre nursery called Harmony Gardens, and before that he worked for CSU for 6 years in FM Custodial.

He is a senior in the Ecosystem Science and Sustainability program through Warner College of Natural Sciences at CSU and a Fort Collins native. After Danny graduates, he plans to teach and hopefully do some research. In his spare time, he does environmental education, and loves to play with plants. He also shared that he loves trees and nachos.

Please also welcome **Ethan Hill** to the position of Structural Trades I/Carpenter Apprentice within Remodel & Construction Services.
