FACILITIES MANAGEMENT

AT COLORADO STATE UNIVERSITY

FM WEEKLY
COMMUNICATION

Issue 157

Greetings FM Team,

In response to your inquiries on several leadership searches currently in progress, a few updates:

- Vice President of University Operations (VPUO): The position closed on April 8. The Search Committee is reviewing applications with a goal of inviting up to four finalists to campus in early/mid-May. If you would like to attend the campus open forums in May to meet the finalists, please provide your name to Karin Rees. Lynn Johnson's last day is May 6. David Ryan and Angie Nielsen will jointly share the interim role until the position is filled.
- Assistant Director for Campus Planning: The position closed on April 4. We received 27 applicants, of which 18 met minimum qualifications. We are planning virtual interviews for approximately 10 semi-finalists, and then to advance 3 to 5 finalists for on campus interviews in mid/late May. Open forum schedules will follow soon.
- Assistant Director for Engineering and Capital Construction: Position closes on April 18. We plan to conduct semi-finalist virtual interviews in late April/early May, with 3 to 5 finalists on campus in mid/late May. Open forum schedules will follow soon.
- Building Services Manager: Position closed on April 4. We are in the process of conducting virtual interviews of the semi-finalists, with a plan to bring 3 to 5 finalists to campus for interviews in late April/early May. Open forum schedules will follow soon.

Busy times indeed across campus for recruiting and selecting future Rams, and I am thankful to everyone serving on search committees for contributing their time and expertise!

Sincerely,

Tom Satterly, P.E.
Associate Vice President for Facilities Management
