# FACILITIES MANAGEMENT

AT COLORADO STATE UNIVERSITY

FM WEEKLY  
COMMUNICATION

Issue 167

Dear FM Team,

Join us for a JEDI lunch & learn in honor of Veterans Day, featuring a conversation with FM employees who served in the U.S. military before coming to FM. The intent of the lunch & learn is to talk about experiences of serving, and how those lived experiences currently shape and impact what people bring to their work in FM.

- **Panelists:**

- ◇ James Gilbert, Remodel & Construction Services (Navy '06 – '11)
- ◇ Richard Adzgowski, Operations - Custodial Services (Navy '76 – '80)
- ◇ Reach out to James Gilbert ([j.gilbert@colostate.edu](mailto:j.gilbert@colostate.edu)) if you would like to join the panel.

- **Date:** Monday, November 7, 11:30 a.m. – 1 p.m.

- ◇ Lunch 11:30-12 (Sandwiches, salad, and soup provided for lunch)
- ◇ Veterans Day Discussion 12-12:45

- **Location:** Lory Student Center Room 312

The JEDI Team is always looking for ways to create awareness and promote current events related to Justice, Equity, Diversity, and Inclusion. This is an opportunity to learn more about an experience that may be unfamiliar—or to share about an experience that may be different from what others know. The overall goal is to “actively cultivate an inclusive institutional climate through opportunities for training, increased awareness of diverse cultures and identities,” one of the primary goals of the JEDI Team and the Division of University Operations.

The lunch & learn has space for 30 FM employees to attend plus the panelists, and it is open to any FM employees who are interested in participating. Veterans and non-veterans alike are encouraged to attend. Come with questions to ask the panelists or just come to listen.

**Attendees please RSVP by 4 p.m. on 10/31:**
